SEARCH TIPS: you can limit or widen your search results by using these search rules

Searching for a phrase: to find a set phrase, enter it in the search box surrounded by quotation marks. For example: “Vincent van Gogh”

Boolean operators: the available Boolean operators are AND, OR, NOT, and NEAR. Type them directly into the search box in capital letters between terms. For example: land NOT sea

Special characters: you need not enter accented letters in order to find words that contain accents

Wildcards: wildcards * and ? may be used to replace letters of which you are unsure. ? represents a single letter; for example, entering c?t will find cat, cut, and cot. * may be used in place of one or more letters; for example, c*t will find cat, cut, and cot, but also carat, clot, count, chat, etc.
