Trinity Graded Examinations in Spoken English (GESE)

“At Trinity College London our assessments are designed to bring out the best in candidates. We’re delighted to be working together with OUP to provide these high quality resources to support our Graded Examinations in Spoken English (GESE).”

A multi-level series of exam preparation and practice material for Trinity College London’s Graded Examinations in Spoken English (GESE).

- Colourful, attractive and effective preparation and practice material to appeal to a wide range of learners.
- Input material replicates the exam as far as possible.
- Personalized production activities motivate students.
- Gradually improves accuracy, fluency and complexity in speaking and listening.
- Teacher’s Pack includes the Teacher’s Book and the Student’s Book. Teacher’s Book provides diagnostic material to ensure students are entered for the correct grade.

Dr Mark Griffiths

Paul Hancock

There was a need for lessons that were substantially based on aural input and oral communication, along with visual prompts, and we’ve worked hard to avoid the usual General English format that would have involved students doing a lot of written exercises. The result is a very lively and active way of thoroughly practising key language.

iTools
Making your lessons engaging and interactive.

Lots of our Exams packages now have iTools as one of their components. Designed for use with both IWBs and projectors, iTools include material that both supports and supplements the Student’s and Teacher’s books. Learner motivation is immediately increased by showing material in a modern, interactive and engaging way.

You can use the content and activities however you wish – at the start of the lesson to warm up, after the lesson to review what’s been learnt, or to vary learning during the class. Try building 10 minutes into every lesson.

**Material – What do iTools consist of?**

- Get students talking with supplementary material for each unit, including video clips and photos.
- Engage your students with interactive activities.
- Ensure class involvement with printable worksheets to accompany material.
- Explain grammar points in a clear and concise way with customisable PowerPoint presentations.

**Functionality – How can I use the material?**

- Zoom, annotate, and use the spotlight functionality to focus on phrases or images for explanation.
- Increase students’ interest by displaying live websites containing authentic English.
- Upload your own content to personalise lessons.
- Support classroom tasks and activities with answers, audio files and other resources from the Teacher’s Pack (in-built).
- Show clips of students taking the Speaking test with video files from the Speaking DVD – so students will know exactly what to expect in the exam.
- Save time with easy access to book-marked pages.
- Signal time limits in mock exams or add a competitive edge to tasks with the in-built timer.
Online Workbooks and Online Skills Practice

Our Exam courses are available with Online Workbooks or Online Skills Practice so you can set online exam preparation as homework.

To give your students an interactive learning experience, use the Online Workbook instead of the print Workbook. For extra interactive practice use the Online Skills Practice in addition to the Student’s Book.

Students can do the online exercises as self-study, or you can assign the exercises using the Learning Management System, and track their progress, review the results to identify areas of weakness to focus on in class, or to set individual homework tasks.

Self-study
- Practice in all four skills.
- Record and listen back for Speaking activities.
- Instant feedback and opportunity to try again.
- Students can revise with the integrated help features:
  - instant feedback on answers
  - answer keys to check work
  - online dictionary and grammar reference
  - audio scripts, sample answers and useful language
  - exam tips

Practise reading and receive instant feedback.

Teacher managed
- Assign specific tasks and keep track of progress, completion and scores.
- Automatically marked Reading and Listening tasks.
- Mark and comment on your students’ recorded Speaking practice and Writing activities.
- Individual score breakdowns per class.
- Assign with help or without help to check that your students have understood the lessons taught in class.

Set exercises to check your students’ understanding.
Online Practice Tests

Use Oxford’s Online Practice Tests for homework or as mock exams to help your students get the best results.

These can either be used by self-study students to improve their exam techniques or assigned by you using the Learning Management System, helping you to easily track progress and record results.

Key features:
- Automatic marking (except for extended Writing and Speaking exercises).
- Instant feedback on answers.
- Integrated online dictionary for quick look-up.
- Option to assign in Practice mode with instant feedback on answers, exam tips and integrated dictionary, or in Test mode with a timer.
- Model answers and tips targeting common mistakes.

Online Practice Tests are available for Cambridge English: Key, Preliminary, First, and Advanced, IELTS, ECCE, TOEIC®, TOEFL iBT® and a range of national school leaving exams.

Tests are packaged with a course. Students can find unlock codes in their Student Book or Workbook. Buy additional tests online at: www.oxfordenglishtesting.com.

Online Practice Tests that come with courses have different content than those you can buy online; ideal for additional exams practice or for any course.

Look out for the key (Online Practice Tests) throughout the catalogue for courses with Online Practice Tests.

Understanding the style and format of the exam can be just as important for students as learning the skills, language and structures that they'll be tested on.

With a range of tests available in print and online, you and your students will never be short of practice material – whether you need group practice and input, or a mock exam, there will be something to meet your needs.

**Printed Practice Tests**

An invaluable tool for exam preparation, Oxford’s printed practice tests are available for the full range of Cambridge English Language Assessment and IELTS exams.

As well as realistic practice for the exam with a focus on commonly tested structures and vocabulary, you and your students benefit from:

- Exam tips
- Audio CDs
- Assessment criteria
- With key editions with access to complete Online Practice Tests
- Without key editions with access to extracts from Online Practice Tests
With exams courses especially, placement in the right level of class is integral to your students’ exam success.

Oxford’s online placement tests provide you with a quick and accurate way to establish your students’ levels and assign class groups. The tests are written by assessment experts, based on the latest testing research, and are pretested and piloted by thousands of students worldwide, giving you accurate and reliable results.

- Computer adaptive tests ensure that questions are relevant to the student’s level and provide a positive assessment experience.
- Automatic marking and instant scores make the process of assigning students to classes far quicker and easier.
- Scores are aligned to the Common European Framework of Reference (CEFR).
