Oxford Practice Tests for the TOEIC Test

INTERMEDIATE—ADVANCED

Available in two volumes, these complete practice tests offer systematic preparation for the TOEIC test (Test of English for International Communication). The presentation of the tests closely replicates the actual tests, providing full training as well as invaluable familiarization with the exam format.

The introduction includes a detailed description of all parts of the test, along with strategies for effective preparation. Detachable answer sheets are included so that students can practice writing their answers under realistic conditions. The 'With Answers' edition contains an extended key, giving full explanations of why answers are right or wrong, as well as a tapescript for the listening material. A conversion chart is included so that scores can be easily related to an approximate exam score. The 'With Answers' edition is available as a self-study pack with CDs for the listening component. The 'Without Answers' edition is ideal for classroom use, and is accompanied by either cassettes or CDs.

Countdown to First Certificate

Michael Duckworth and Kathy Gude

INTERMEDIATE—UPPER-INTERMEDIATE (FCE)

Countdown to First Certificate bridges the gap between intermediate level and the FC exam. The first half of the book introduces students to exam tasks for FCE while continuing their general language training. As students progress through the book the tasks increase in number, length, and difficulty.

The course provides students with systematic training for the FCE, skills development, and exam helplines for all five papers, plus an exam practice test. Vocabulary has a high profile in the course. Each unit contains a Wordpower section and 'Let's Reflect' tests which practice and consolidate the vocabulary and grammar introduced.

The accompanying Workbook has a complimentary CD, which aims to develop speaking and listening skills. The *Teacher's Book* contains test materials for each unit and photocopiable classroom activities.
