Professional Development Webinars
Quarter 4 - 2019

Mobile Learning for Language Development – Nik Peachey

In this webinar I will be examining some of the pros and cons of mobile devices and their impact on the language classroom. I’ll also be looking at some useful tools and apps and how we can use this to make students’ learning both inside and outside the classroom more creative and engaging. Come to this webinar with your mobile device in hand and you’ll be able to try a few activities during the session.
