Jayme Adelson-Goldstein

Welcome to the Oxford Adult ESL Conversations podcast. I’m Jayme Adelson-Goldstein, co-author of the Oxford Picture Dictionary, and series director of Step Forward, now in a second edition. Throughout this podcast series, I’ll be talking with Adult ESL educators, thought leaders, and advocates about topics and ideas key to our work supporting adult English language learning in the US. Subscribe now on iTunes or Soundcloud, and visit www.oup.com/elt/LoveAdultESL to join the conversation.
