The longest word used in 2019 was... PNEUMONOULTRAMICROSCOPIC.

Creative use of similies:
- As apical as [the teeth of] a vicious, biting shark
- As sharp as a million daggers digging through your heart
- As evil as a croaky witch cackling with evilness
- As still as a cat before it pounces

Invented Creatures:
- Manfaire
- Sheepacorn
- Dolphicorn
- Socktupus

Invented Words:
- Clexit (Class)
- Plexit (Plastic)
- Frexit (Fruit)
- Wexit (Wood)

Some children were inspired by Brexit to create new blended words...

The blueberries didn't agree and said, "That would be a no deal Frexit!"
