**INGREDIENTS**

- 2 medium-sized bars of **Milk Chocolate**
- A couple of handfuls of **Mini Marshmallows**
- 6 **Digestive Biscuits** (broken into largish chunks)
- A handful of **Raisins** (optional)

**METHOD**

1. Melt the **Chocolate** in a bowl suspended over a pan of boiling water, making sure that the water does not touch the bowl.

2. Add the **Marshmallows** and **Raisins** and mix well, but don’t break up the biscuits too much.

3. Pour the mixture into a baking tray, which has been lined with parchment or greaseproof paper.

4. Level out and put in the refrigerator until set.

5. Once set, remove from the tin and cut your rocky road into squares ready to eat!
