Instructions:

1. Colour in Steve and all his fishy friends.
2. Cut out each sea creature carefully (ask an adult to help you cut along the dotted lines).
3. With the help of an adult, pierce a hole in each cut-out character.
4. Thread a long piece of string or ribbon through each hole, and tie a knot so it stays in place.
5. Tie all of the pieces of string together at the top, and hang them over any object to make a fish-tastic ocean mobile!
