Fais du dessin !
Pierre is in the supermarket with his mum. She is asking him to get things from the shelves and put them in the trolley. Look below at all the things he has to find. Can you draw each one inside the picture of the empty trolley?

"six œufs"
"un gâteau au chocolat"
"cinq tomates"
"trois bananes"
"deux carottes"
"trois petits pains"

How did you do? Colour the right face for you.

😊 = I can do this easily
😊😊 = I can do some of this
😊😊😊 = I need more practice
