Vocabulary: time, numbers
Practises: reading

Un peu de dessin !
Can you remember how to tell the time in French? Read the sentences below and draw the correct time on the clocks.

Il est six heures.
Il est midi.
Il est quatre heures.
Il est une heure.

Tire un trait !
Look at the clocks below. Can you draw a line from each clock to the correct sentence?

Il est huit heures.
Il est deux heures.
Il est dix heures.
Il est cinq heures.

How did you do? Colour the right face for you.

😊 = I can do this easily
😊 = I can do some of this
😊 = I need more practice
