Read the questions below. Pick one of the words from the list above to answer each one and greet your partner. Your partner should then return the greeting!

1 It's nine o'clock in the morning. What do you say to your teacher?

2 It's half-past three and you're going home from school. What do you say to your friends?

3 It's half-past seven and you're going to bed. What do you say to your parents?

How did you do? Colour the right face for you.

😊 = I can do this easily  🙁 = I can do some of this  😞 = I need more practice
