Top speller!

Some French and English words are spelled the same way, except for one letter.

- **le parc** noun masc.
- **la tarte** noun fem.

Look up the French words and fill in the missing letter:

- lamp_ = lamp_e

**Tip!**

Two words don’t need another letter.

How did you do? Colour the right face for you.

😊 = I can do this easily
😊 = I can do some of this
😊 = I need more practice
