Label it!

Draw your face on the shape below. Then label the following parts in French. Look up the English words to find the French words you need.

ear, hair, forehead, eyebrow, eye, nose, cheek, lip, teeth, chin

Extra!

Turn over the sheet and draw a monster (with one eye? three legs? four arms? – you decide) and describe it: Mon monstre a un œil … etc.

How did you do? Colour the right face for you.
