What’s in your dictionary?

To make the best use of your dictionary, you need to know what is in it. The activities below will help you.

1. Write the name of your dictionary.
   __________________________________________

2. What is the first word listed on page 1?
   __________________________________________

3. What colour are the French words in the dictionary?
   __________________________________________

4. What colour are the English words in the dictionary?
   __________________________________________

5. What runs down the outside edge of most pages?
   __________________________________________

6. What is on the coloured pages in the middle of the book?
   __________________________________________

7. Like page 1, page 241 starts with Aa. What is the difference between the two pages?
   __________________________________________

8. What is the last word listed in your dictionary?
   __________________________________________

How did you do? Colour the right face for you.

😊 = I can do this easily ⏰ = I can do some of this 🙁 = I need more practice
