Making the most of meanings: Super Challenge 3

Can you help Miki find the right path to Jake? The Oxford First Dictionary will give you the clues. Start with the step which says **juice**. Look up **juice** in your dictionary. It says: **Juice** is the liquid that comes out of **fruit**. Now you can move to the next line of steps, on to the one that says **fruit**. Next, look up the meaning of **fruit** in your dictionary. You will find the next word there. Colour in the words as you go along to make the path.
