Making the most of meanings: Super Challenge 3

Find the underlined words in the Oxford Junior Illustrated Dictionary and read the definitions carefully to find the answers to the following questions:

1. What are wagons pulled by?

2. How do seals keep warm in winter?

3. Where do frogs lay their spawn?

4. When animals hibernate, what do they do all winter?

5. What is a male goose called?

6. What do wasps and some types of jellyfish have in common?

7. How does a marsupial carry its young?

8. Why do fish have fins?

9. Where do pearls grow?

10. What colour are pandas?

Create your own quiz!

Use the definitions in your Oxford Junior Illustrated Dictionary to create your own quiz. For example, look up football, athletics, stadium, and lap to write questions about sport. Or you could look up fairy, fable, dragon, and blurb to write questions about books and stories.
