Challenge 2: Food

Fruits and vegetables

A Here are the names of some fruits and vegetables. Can you make a list of all the green fruits and vegetables, a list of all the orange fruits and vegetables, and a list of all the red fruits and vegetables? Write their French names into the boxes below. Can you fill in the French words for each colour too?

Green ................................
Orange ..............................
Red .................................

B Here are some more pictures of fruits and vegetables. Can you count how many of each there are, and then answer the questions below using your French numbers?

1) How many bananas are there? ..........................................
2) How many cherries are there? ..........................................
3) How many peas are there? ............................................
