Super Challenge 1: Animals

Reptiles and fish

A Here are the English names of some animals from all over the world. Can you fill in the French name for each animal?

1) swordfish
2) chameleon
3) tuna
4) salmon
5) Komodo dragon
6) trout
7) python
8) tortoise
9) Egyptian cobra
10) piranha

B Now that you’ve translated their names, can you make a list of the animals which are reptiles, and the animals which are fish? Both are scaly, but reptiles live mostly on land and fish live in the water. Write their French names into the boxes below.
