Super Challenge 4: Travel and transport
Les avions et les embarcations – Aircraft and boats

Here are many different ways to travel across the land or the sea – can you sort them into one list of aircraft and one list of boats in the boxes below? One aircraft has been written in for you.

Les avions (aircraft)

le biplan (biplane)

Les embarcations (boats)

le yacht
le montgolfière
le catamaran
le bateau à rames
le gros-porteur
le biplan
le canoë
le navire-citerne
l’hélicoptère
le deltaplane
le dériveur
