Challenge 2: Food

Fruits and vegetables

A Here are the names of some fruits and vegetables. Can you make a list of all the green fruits and vegetables, a list of all the orange fruits and vegetables, and a list of all the red fruits and vegetables? Write their Cornish names into the boxes below. Can you fill in the Cornish words for each colour too?

Green ..................................................
Orange ..................................................
Red ..................................................

B Here are some more pictures of fruits and vegetables. Can you write in Cornish what colour they are?

lymmavalow ............................... keres ............................... sevi ...............................  

1) What colour are the lemons? .......................................................  
2) What colour are the cherries? .......................................................  
3) What colour are the strawberries? .......................................................
