Super Challenge 2: Food

At the Restaurant

A This restaurant has got all of the food on its menu mixed up! Can you draw a line to connect the name of the dish to its picture, and then write its Cornish name underneath?

1) ........................................

2) ........................................

3) ........................................

4) ........................................

5) ........................................

6) ........................................

B Now that you’ve fixed the menu, it’s time to order what you would like to eat. Can you fill in the Cornish name for your favourite food? There are lots more types of food on pages 24–25 of your Oxford Children’s Cornish–English Visual Dictionary.
