**Scheme of Work for Cskills Award Level 2 Diploma in Bricklaying**

**Introduction**

- **Case study: Get it right first time**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Tips for getting your cavity walls right**
  - Chadwick is a bricklayer at Laing O'Rourke.

- **Overcoming tough weather**
  - Marcus Chadwick is a bricklayer at Laing O'Rourke.

**Chapter: Construction Technology**

- **Foundation construction**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Floor construction**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Roof construction**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Sustainability and incorporating sustainability into construction projects**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **How to improve in interviews**
  - Andrea Dickson and Gillian Jenkins sit on the interview panels for apprenticeship applications at South Tyneside Homes.

**Chapter: Set Out Masonry Structures**

- **Setting out right-angle shaped masonry structures on level ground**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Preparing construction sites**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Resources needed for setting out work**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

**Chapter: Construct Solid Walling Incorporating Isolated and Attached Piers**

- **Preparation for building solid walling**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Building solid walling to the given specification**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Building isolated and attached piers to the given specification**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

**Chapter: Bricklaying**

- **Building isolated and attached piers to the given specification**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Setting out to build solid walling**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Preparing construction sites**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Resources needed for setting out work**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Estimating quantities of resources**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Types of supporting information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Units of measurement**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Scales and drawing equipment**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Introduction**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Interpreting and producing information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Communicating workplace requirements**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Employability: How to impress in an interview**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Working safely with electricity**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Handling and storing materials and equipment safely**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Safety and health in the construction environment**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Identifying hazards**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Accident and emergency procedures and how to report them**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 6: Frameworks**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 5: Resources**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 4: Information sources**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 3: Preparing for setting out work**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 2: Estimating quantities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 1: Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 12: Employability: How to impress in an interview**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 11: Health and safety regulations, roles and responsibilities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 10: Working safely with electricity**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 9: Personal Protective Equipment**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 8: Accident and emergency procedures**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 7: Types of supporting information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 6: Types of supporting information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 5: Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 4: Information sources**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 3: Preparing for setting out work**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 2: Estimating quantities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 1: Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 12: Employability: How to impress in an interview**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 11: Health and safety regulations, roles and responsibilities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 10: Working safely with electricity**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 9: Personal Protective Equipment**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 8: Accident and emergency procedures**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 7: Types of supporting information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 6: Types of supporting information**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 5: Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 4: Information sources**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 3: Preparing for setting out work**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 2: Estimating quantities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 1: Types of floors and walls**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 12: Employability: How to impress in an interview**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 11: Health and safety regulations, roles and responsibilities**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 10: Working safely with electricity**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes

- **Activity 9: Personal Protective Equipment**
  - Gary Kirsop, Head of Property Services at South Tyneside Homes
