### Practical tasks

- **LO1** Know how to and be able to prepare for first fixing operations.
- **LO2** Know how to and be able to install timber frames and linings.
- **LO3** Know how to and be able to erect timber stud partitions.
- **LO4** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Case studies used

- **LO5** Know how to and be able to handle and store materials and equipment safely.
- **LO6** Know how to use personal protective equipment (PPE) correctly.

---

### Case studies

- **LO7** Know about basic working platforms and access equipment.
- **LO8** Know how to work safely around electricity in a construction environment.

---

### Learning outcomes

- **LO9** Know the fire and emergency procedures.
- **LO10** Know about signs and safety notices.

---

### Course details

- **LO11** Know how to produce different types of drawings and information in the construction industry.
- **LO12** Know how to estimate quantities and price work for contracts.
- **LO13** Know how to ensure good working practices.

---

### Tutor Support

- **LO14** Know how to handle and store materials and equipment safely.
- **LO15** Know about basic working platforms and access equipment.

---

### Tutor support

- **LO16** Know how to work safely around electricity in a construction environment.
- **LO17** Know how to use personal protective equipment (PPE) correctly.

---

### Tutor support

- **LO18** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO19** Know how to and be able to install first fixing operations.
- **LO20** Know how to and be able to install timber frames and linings.
- **LO21** Know how to and be able to erect timber stud partitions.
- **LO22** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO23** Know how to and be able to prepare for first fixing operations.
- **LO24** Know how to and be able to install timber frames and linings.
- **LO25** Know how to and be able to erect timber stud partitions.
- **LO26** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO27** Know how to and be able to prepare for first fixing operations.
- **LO28** Know how to and be able to install timber frames and linings.
- **LO29** Know how to and be able to erect timber stud partitions.
- **LO30** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO31** Know how to and be able to prepare for first fixing operations.
- **LO32** Know how to and be able to install timber frames and linings.
- **LO33** Know how to and be able to erect timber stud partitions.
- **LO34** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO35** Know how to and be able to prepare for first fixing operations.
- **LO36** Know how to and be able to install timber frames and linings.
- **LO37** Know how to and be able to erect timber stud partitions.
- **LO38** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO39** Know how to and be able to prepare for first fixing operations.
- **LO40** Know how to and be able to install timber frames and linings.
- **LO41** Know how to and be able to erect timber stud partitions.
- **LO42** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO43** Know how to and be able to prepare for first fixing operations.
- **LO44** Know how to and be able to install timber frames and linings.
- **LO45** Know how to and be able to erect timber stud partitions.
- **LO46** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO47** Know how to and be able to prepare for first fixing operations.
- **LO48** Know how to and be able to install timber frames and linings.
- **LO49** Know how to and be able to erect timber stud partitions.
- **LO50** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO51** Know how to and be able to prepare for first fixing operations.
- **LO52** Know how to and be able to install timber frames and linings.
- **LO53** Know how to and be able to erect timber stud partitions.
- **LO54** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO55** Know how to and be able to prepare for first fixing operations.
- **LO56** Know how to and be able to install timber frames and linings.
- **LO57** Know how to and be able to erect timber stud partitions.
- **LO58** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO59** Know how to and be able to prepare for first fixing operations.
- **LO60** Know how to and be able to install timber frames and linings.
- **LO61** Know how to and be able to erect timber stud partitions.
- **LO62** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO63** Know how to and be able to prepare for first fixing operations.
- **LO64** Know how to and be able to install timber frames and linings.
- **LO65** Know how to and be able to erect timber stud partitions.
- **LO66** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO67** Know how to and be able to prepare for first fixing operations.
- **LO68** Know how to and be able to install timber frames and linings.
- **LO69** Know how to and be able to erect timber stud partitions.
- **LO70** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO71** Know how to and be able to prepare for first fixing operations.
- **LO72** Know how to and be able to install timber frames and linings.
- **LO73** Know how to and be able to erect timber stud partitions.
- **LO74** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO75** Know how to and be able to prepare for first fixing operations.
- **LO76** Know how to and be able to install timber frames and linings.
- **LO77** Know how to and be able to erect timber stud partitions.
- **LO78** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO79** Know how to and be able to prepare for first fixing operations.
- **LO80** Know how to and be able to install timber frames and linings.
- **LO81** Know how to and be able to erect timber stud partitions.
- **LO82** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO83** Know how to and be able to prepare for first fixing operations.
- **LO84** Know how to and be able to install timber frames and linings.
- **LO85** Know how to and be able to erect timber stud partitions.
- **LO86** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO87** Know how to and be able to prepare for first fixing operations.
- **LO88** Know how to and be able to install timber frames and linings.
- **LO89** Know how to and be able to erect timber stud partitions.
- **LO90** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO91** Know how to and be able to prepare for first fixing operations.
- **LO92** Know how to and be able to install timber frames and linings.
- **LO93** Know how to and be able to erect timber stud partitions.
- **LO94** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO95** Know how to and be able to prepare for first fixing operations.
- **LO96** Know how to and be able to install timber frames and linings.
- **LO97** Know how to and be able to erect timber stud partitions.
- **LO98** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO99** Know how to and be able to prepare for first fixing operations.
- **LO100** Know how to and be able to install timber frames and linings.
- **LO101** Know how to and be able to erect timber stud partitions.
- **LO102** Know how to and be able to install straight flights of stairs, handrails and stairs.

---

### Tutor support

- **LO103** Know how to and be able to prepare for first fixing operations.
- **LO104** Know how to and be able to install timber frames and linings.
- **LO105** Know how to and be able to erect timber stud partitions.
- **LO106** Know how to and be able to install straight flights of stairs, handrails and stairs.
# Scheme of Work for Cskills Award Level 3 Diploma in Site Carpentry

**Qualification Title:** Cskills Awards Level 2 Diploma in Site Carpentry  
**QAN (Ofqual Ref):** TBC
