Consolidate maths learning

*MyMaths* is a time-saving, whole-school online resource for use in the classroom and at home. It is easy to use alongside any other maths resource to enhance lessons, enable independent practice and consolidate learning.

- Provides self-marking homework tasks that can be assigned to pupils
- Includes lessons which can be used in the classroom or by pupils at home
- Booster packs can be used to revise key areas
- Games help children to practise maths skills and encourage an enjoyment in maths
- Access for parents to strengthen the link between home and school
- Clearly matched to all UK curricula

“*It is a fun and engaging way to get children excited about maths. They are more eager to try new things, and it’s super easy to set up and use.*”
