This book is about dogs. These are some things that dogs need:

- food and water
- somewhere to sleep
- toys to play with
- plenty of exercise
- lots of friends
- someone to train and care for them.

Ask children if they have any pets, and talk about them. Would they like a dog? Why or why not?

ACTIVITY

Have some fun! Collect and label photos of children’s pets. Ask children to draw pictures of real or imaginary pets.
