Icarus
Responding to the Text

1. Why were Daedalus and Icarus imprisoned in the tower?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. Why is flying too close to the sun dangerous?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. Who is responsible for Icarus’ death? Explain why you think this.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
Similies

Find three similes from Icarus and write them in the chart. Explain what this simile describes in the second column. Add similes of your own to the third column which describe the same things.

<table>
<thead>
<tr>
<th>Similie</th>
<th>What does it describe?</th>
<th>Another similie could be:</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Now fill the gaps in these sentences to make your own similes for Daedalus and for the tower.

Daedalus is as ________________ as ________________

The tower was as ________________ as ________________
