Four simple steps to becoming an outstanding reading school

Step 1 Audit

Analyze your current practice and identify areas for change.

Step 2 Strategic Planning

Respond to your audit, using the tools to create and share your action plan.

Step 3 Take Action

Put in place effective changes to really make a difference to the reading outcomes in your school.

Step 4 Evaluate Impact

Take time to review the impact of your initiative, and understand what steps you need to take next.
