Animals and colours

1. What's in a name?
Shakespeare's plays frequently have unfamiliar names for animals and colours. Can you find the Shakespearean names for the animals mentioned in the clues below and fill in the crossword using those words?

2. What's the colour?

a) In *Macbeth*, what colour is the 'brinded cat'?

b) In *The Merchant of Venice*, Shylock tells a story about 'parti-coloured' lambs. What does 'parti-coloured' mean?

c) In *King Lear*, Edgar says the devil made him 'ride on a bay trotting-horse'. What colour was that horse?
