How would you describe the plot? (Without giving away the ending!)

The plot was very emotional and tragic as they go through many triumphs, backtracking and succeeding, and eventually finding out the truth.

Overall, this book was...

Beautiful and complex filled with mythical and a powerful storyline.

What did you enjoy most about this book?
What didn't you enjoy?

What I enjoyed most was swimming with the killer whales and watching them as they grew. What I didn't enjoy was how the mom faded out of the storyline when she was the reason for the storyline.

Would you recommend this book to someone else? If so, what would you tell them? If not, why not?

I would recommend this book as it is an amazing story filled with feeling, yet really, light and peace, hate and love.
