Inspiring resources to help students prepare effectively for the new exams

Develop confident and motivated geographers with this brand new course for the 2016 Edexcel AS and A Level specifications. The clear and stimulating approach features up-to-date and relevant case studies and a wide range of activities to help students engage with the material and build their skills.

- Comprehensive coverage of the new content, including support for geographical skills and fieldwork
- From a team led by experienced author, teacher and former GA president Bob Digby
- Digital Student Books, digital Teacher Handbooks, homework tasks, and lots of assessment support are available on Kerboodle
