A genuinely student-friendly approach, with rigorous coverage of the 2016 specification

From an experienced team led by Simon Ross and approved by AQA for the 2016 AQA GCSE Geography specification. The clear approach engages students and motivates them to progress, while the comprehensive specification coverage helps them to build the knowledge and skills they need and prepare effectively for their final exams.

- Coverage of the new specification includes all the options, with support for skills and fieldwork integrated throughout
- The clear page design and accessible language will appeal to all your students
- Kerboodle* provides schemes of work, homework materials, a comprehensive assessment package, a digital Student Book, and a digital Teacher Handbook
