Software that works in the classroom
Our popular OxBox CD-ROMs include lesson planning, classroom resources, assessment and are easy to customise. You can add in your own resources to personalise both teaching and learning.

How Clic! supports the rest of your students – and you

Student Books, twin track from Year 7
Star and Plus Student Books from Year 7 strengthen transfer and transition. The Student Books are now updated to match the Renewed Framework.

Mature approach at Year 9

Fully supported with the Teacher Resource Books
The Teacher Resource Books provide full planning guidance in light of the Renewed Framework. They include sections for every page of the Student Book listing all resources available, and suggestions for starters, plenaries and ICT activities. They have all the answers and transcripts plus notes on presenting and practising all the key language for each unit. The Teacher Resource Books come with editable copymasters and indications of which activities are suitable for preparing for Asset language tests.
The best for differentiation and motivation

Offering alternative pathways (Star and Plus) from Year 7, Clic! has always offered full differentiation. Clic! users also love the motivating approach and have asked us for separate resources for their lowest attaining students so everyone can benefit from what Clic! has to offer. We’ve worked closely with teachers to bring you...

Take a fresh look at Clic!

Clic is the most differentiated course available to really get the best from all learners. The core course is unique in being twin tiered (Star and Plus) from Year 7 – and there are now two Access Student Books for your reluctant learners.

The most differentiated course available – to cater for all your students

- NEW Access Student Books for your lowest attainers (NC levels 1-2/3) so everyone can benefit from Clic's clear and motivating approach. Plus Teacher Book and Audio CD.
- The only course with alternative pathways from Year 7, to help you manage the transition from Primary: Star (low tier: NC levels 1-4+) begins with the basics, and Plus (high tier: NC levels 2/3-6+) reinforces then builds on the prior knowledge.

The most engaging course available – to keep all your students on track

- Mature approach at Year 9 unlike most other courses, to keep them enjoying French and boost GCSE take-up.
- Popular, customisable OxBox CD-ROMs – it's really easy for you to engage students with a wealth of activities and video, as a whole class or through independent learning. You can even add in your own resources really easily, unlike other courses.
- Up-to-date material brings language learning into a modern context.

The most easy to deliver course available – supporting you with all the tools you need

- Helps you personalise learning, with customisable lesson plans, classroom resources and assessment on the OxBox CD-ROMs.
- The Student Books are clear and easy to follow so nothing gets in the way of teaching and learning.
- The full support package also includes dual workbooks to measure progress, audio, and Teacher Resource Books.
